

Blaby Stokes CE Primary School

Welcome

We are happy to welcome you to Blaby Stokes Primary School.

As a Church of England school, we have very close links to All Saints Church in Blaby. We are here to work with you as your child's parent and carer to develop their confidence and independence, helping them to feel valued, safe and secure, knowing that their wellbeing is also being looked after.

We follow a full and varied curriculum that encourages academic learning, creative expression and sporting achievement. We also help our pupils grow by rewarding good behaviour that reflects our school values: Respect, Kindness and Success.

We are also excited to share that brand new classrooms and a redesigned playground are complete and ready to welcome our new starters. It's a fantastic time to join Blaby Stokes as we continue to grow and invest in our future.

Mrs O'Hara, Headteacher

Every child that joins our school also joins our family, where they will be cared for, supported and encouraged to learn, grow and develop during their time with us.

Our Curriculum

We are very proud of the curriculum that we are developing, teaching and learning at Blaby Stokes CE School. We feel it empowers the children with a sense of who they are and where they come from. It gives them not just the vision to see that they are part of a changing world; but also the power to understand that they can be part of that change.

These are the themes which are woven though many of our lessons:

Trade

Reasons to Travel

*The importance of **Place**: People and resources*

Migration

Population changes

Discovery

***Innovations** leading to **change**: people, places, commodities, communication, future.*

Power and democracy

Human rights

School Values

.....

Our school values are designed to encourage and support our pupils to become well-rounded and considerate citizens. Our pupils are rewarded for displaying these values, and they are expected to demonstrate them throughout their time at Blaby Stokes.

***"For I know the plans I have for you
declares the Lord, plans to prosper you
and not to harm you, plans to give you
hope and a future" Jeremiah 29:11***

What we can offer

Our school is nested into vast playing fields and green spaces surrounding them which gives them access to bespoke outdoor play equipment as well as spacious classrooms and facilities. We have an onsite Forest School as well as plans to develop a sensory garden.

We provide a range of music, sport, science and craft clubs for our children to get involved in. Many of these are delivered by external companies or volunteers. We also offer a range of school trips and enrichment opportunities throughout the year. And through the Learning South Leicestershire School Sports Partnership we take part in lots of sporting events and tournaments.

Our catering team provide a variety of freshly cooked meals every day. These are booked & paid for via our online system. Free school meals are offered to all children in Foundation Stage and Years 1 and 2 under the Government's Universal Infant Free School Meals programme and we provide Free School Meals to those on Pupil Premium. Children can also bring a packed lunch and a healthy breaktime snack from home.

***“Every member of the school community is loved,
worthy and capable of success.”***
